OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 7623/331 with one enclosure

~~Mysore~~ Bangalore 6th March 1901 186

H J BHABHA Esq
*Inspector General of Education in Mysore*

The Secretary to the Government of Mysore
General and Revenue Departments

SIR,

With reference to your docket no 10238/368 dated 11th February 1901 I have the honour to inform you that the Maddagiri Aryabalika Pathasala was opened in 1892 as a private institution by some of the leading officials of Maddagiri who objected to Brahmin girls being educated in the Wesleyan Mission Girls School that had been established in the town many years previously When it was brought on the list of aided schools a grant of Rs 10 a month was given to it which has been increased to Rs 22 in course of time, the grant of the Wesleyan Mission School being also subsequently raised to Rs 22 Both the schools were inspected by me last month, when the average attendance of the Aryabalika Pathasala was 40 and that of the Wesleyan Mission School 49 The highest class in both schools was a III with three

exception that in 1900 as a special case from the Arya balika Patasala one girl was sent up for the lower secondary Examination who however failed Progress in the Aryabalika Pathasala was better than in the Wesleyan Mission school, especially in Arithmetic In the former school most of the girls are Brahmins While in the latter 30 out of 74 girls on the roll are Brahmins The establishment of the Aryabalika Pathasala costs Rs 34 a month of which Rs 22 is met from the monthly grant and Rs 12 from Subscriptions The establishment of the Wesleyan Mission school Rs 42 of which Rs 22 is paid as grant, and books Slates &c are supplied gratis to all girls by the Mission besides costly prizes at the Annual Prize Distribution The Aryabalika Pathasala has an excellent building of its own, while the Wesleyan Mission aided school is accommodated in a rented house which is unsuitable The Committee of the Aryabalika Pathasala in their petition returned herewith request Government to take over their school altogether, and they have made the same request to the Inspector-General repeatedly for a long time past

2 In places in which an aided school is first established it is the Rule not to establish a Government school in opposition to the aided school At several District Headquarters however Government girls'

Schools have been opened long after mission schools

By Order No 8961/346 dated 2nd February 1900 Government declined to take over the Jaya Lakshamanam school at Chamapatna, which was established for similar reasons long after the Wesleyan mission school in the same place

3 With the above remarks I return petition No 1344 sent with the docket under reply

I have the honour to be,
Sir
Your most obedient servant
